Subject: The No FEAR Act Training is NOW ready and available in your Learning Plan!

The No FEAR Act Training is NOW available and in your learning plan. The Notification and Federal Employee Anti-discrimination and Retaliation Act of 2002, better known as the No FEAR Act, requires that Federal agencies be accountable for violations of anti-discrimination and whistleblower protection laws. This course will outline the rights Federal employees have under these laws and provide details on how the No FEAR Act is implemented.

To satisfy your 2018 agency-wide requirement:

Please log on to Skillport eLearning, then click the Learning Plan icon in the upper left hand corner of the screen, locate the course and click on launch. The No FEAR Act training is only 30-minutes and is full of valuable information.

All agency-wide mandatory training is due by the date established by your AAship or Region- no later than September 30, 2018.

Enjoy your learning!
